**Re: Mary Basile Logan v. Merritt Garland, et. al.  
Case No. 3:24-CV-0040**

Dear Judge Quraishi:

Our office represents the Defendant Robert Junge in the above referenced civil lawsuit. Our office recently received Plaintiff's submission to the court requesting an injunction with respect to a tax bill that she received from Lebanon Borough. Kindly accept this letter in lieu of a more formal Brief in response to Plaintiff's submission.

I have read the Plaintiff's submission. In all candor to the tribunal I personally have no understanding as to what the allegations or relief or remedy the Plaintiff is seeking. My client has no involvement whatsoever in the issuance of any property tax bills for the property stated in the Plaintiff's submission. Therefore, to the extent that the Plaintiff is alleging any impropriety on behalf of Mr. Junge with respect to her property tax bill, my client vehemently denies this allegation.

Additionally, the Defendant Junge incorporates by reference the Memorandum in Opposition filed on behalf of the Defendants James Pittinger and Lisa Sella (Document Number 113).

Respectfully submitted,
